			personnel of the grand jury drawn Monday. Henry Showalter, of Wilmington Township, who was drawn as a juror, is father of the boy who was sot by W. H. Ware at Butler some time ago, and it is understood that the grand jury will investigate the matter thoroughly at their first session and if the evidence warrants it they will return an indictment. Mr. Showalter will thus be incompetent to serve as a member of that body and it will be necessary to supply the vacancy, which will be caused. Mr. Holman, who was also chosen, has moved from DeKalb county to Oklahoma and it will be necessary to secure a juror to take his place. December 23rd paper states that Jacob Christoffel and Peter Coyles will supply the vacancies of Showalter and Holman.

			which occupies the minds of hundred of those who have witnessed the recent skirmish and the whole affair is one which has caused the attorneys of the county to scratch their heads and lay awake at night for the past two or three weeks. It is evident that further developments will result. The persistent fighting Gaddis and Collins, have again opened fire and have ordered their second application for a liquor license published. The present situation is precisely as it was prior to the first application made by Geddis and Collins, and according to the Proctor Law, Smithfield township is wet. The attorneys for the applicants having dismissed their case practically places Smithfield township back to the starting place. Geddis and Collins are determined to fight it out as can be seen from their act of Friday, and whether the opponents of their cause will remonstrate remains to be seen.
